

Pupil Premium 2013 2014

St. Peter's CE School receives a Pupil Premium Grant for each child who is entitled to receive Free School Meals or who has been entitled over the last six years and for any Looked after Children or children who have parents serving in the armed forces.

We are required to publish online information about how we have used the premium.

If your child is eligible for free school meals because of your family income level, please contact the office (in confidence) to register them. Even if they have a free healthy lunch or you do not want them to have a school meal please register as this would mean that the school could claim Pupil Premium funding that may be used to support your child.
